

INTEGRITY COMMISSION

CAREER OPPORTUNITY

Chief Risk and Compliance Officer

Job Summary

The incumbent, under the general supervision of the Executive Director, is responsible for developing and implementing an Enterprise Risk Management Programme for the Commission; and establishing and identifying areas of risk and potential risks in the operational activities of the Commission, whilst advising of allowable tolerance levels and areas for improvement. The incumbent is also responsible for developing and implementing a Compliance Programme for the Commission; ensuring efficiency and uniformity of performance across the organisation, and monitoring and aligning the Commission's activities in keeping with the internal practices, policies and procedures as stipulated in the Standard Operating Procedures (SOPs).

Major Responsibilities

1. Spearheads and ensures that the Commission is conducting its operations in full compliance with all laws and regulations that pertain to its mandate, as well as applicable professional standards, accepted business practices, and internal policies and standards.
2. Reviews and assesses existing Standard Operating Procedures (SOPs), and make recommendations for improvement.
3. Ensures reviews are conducted accordingly, aligning the business requirements and ensuring that the Standard Operating Processes (SOPs) of the Commission operates in keeping with the internal practices, policies and procedures as stipulated in the Standard Operating Procedures (SOPs).
4. Identifies gaps, weaknesses, challenges and recommend legitimate solutions to simplify the processes, policies and procedures and make other recommendations where necessary.
5. Ensures that there is clear understanding of professional standards, accepted business practices, and internal policies and standards.
6. Develops, operationalizes and maintains an Enterprise Risk Management Framework for the Commission, including the formulation of a Risk Management Policy and a Risk Register.
7. Carries out periodic risk assessment and test whether the controls in place adequately address the identified risks.
8. Conducts regular meetings with the respective Divisions or Divisional Head to ensure standardization and coherence in the day-to-day functions.

9. Implements incident monitoring processes to ensure improvement of controls around identified and reported risk events.
10. Establishes target dates for addressing identified risks and allocates responsibility to a named individual.
11. Ensures compliance at all times with the Commission's Procurement Plan, Contracts Management Policy, Asset Management and Disposal Policy, Information & Complaints Policy and all such other policy decisions of the Commission.
12. Receives and discusses Compliance Reports with other similar functionaries within the Commission.
13. Conducts routine sensitization training in Risk Management and Risk Management practices.
14. Keeps current and abreast with new approaches, methodologies and technology in the Risk Management and Compliance fields.
15. Discharges any such duties that may be assigned.
