

INTEGRITY COMMISSION

CAREER OPPORTUNITY

Corruption Prevention Officer

Job Summary

The incumbent is accountable to the Senior Corruption Prevention Officer for the efficient and effective gathering, analysis and review of public body practices and procedures, inclusive of the proactive assessment of information relating to the prevention and detection of corruption within Government of Jamaica Public Bodies.

The Corruption Prevention Officer will also be responsible for positing recommendations for remedial action to correct identified deficiencies in the practices and procedures of Public Bodies, in keeping with the provisions of the Integrity Commission Act, other applicable legislation, policies and guidelines, in order that the Entity achieves its long-term objective of detecting, preventing and reducing the likelihoods of acts of corruption.

Major Responsibilities

1. Critically examine and interrogate, in a systematic manner, as instructed, the practices and procedures of GOJ Public Bodies which may reduce the likelihood or the occurrence of acts of corruption;
2. Develops objective, coherent and practical remedial recommendations in relation to the revision of Public Body practices and procedures, in a timely manner, which will aid in effectively preventing, detecting and reducing the likelihood of acts of corruption.
3. Develops and contributes to the work plans and the strategic direction of the Unit and Division by providing objective and informed feedback on impact of initiatives and interventions in the Public Bodies.
4. Contributes to the Corruption Prevention Division's strategic engagement activities, resulting in the Division's Annual Operational Plans being aligned to the Commission's Strategic Business Plan.
5. Annually update, in conjunction with the Senior Corruption Prevention Officer, own Job Accountability and Performance Targets aligned to the Entity's Strategic Plan.
6. Develops in conjunction with the Senior Corruption Prevention Officer, own Individual Development Plan (IDP) following the Performance Review as per the Performance Management System.
7. Prepares reports on all assigned projects in keeping with the Department's Standard Operating Procedures/Monitoring Process.

8. Liaises with assigned Public Bodies and provide accurate feedback and technical guidance as it relates to corrective measures, proposed policies and practices which will foster an environment and culture of anti-corruption and anti-bribery.
9. Prepares timely reports or correspondence on any weaknesses in systems, practices and procedures which are employed by Public Bodies, and posit remedial recommendations to solve current issues and benchmark standards for future improvements.
10. Liaises with officers from the Investigations Division, and the Information and Complaints Division, in keeping with the Inter-Division Protocol, to obtain such information as is necessary to create a preliminary profile of the needs and situational analysis of assigned public bodies, in relation to non-conformance with government contracting/licensing rules/asset declaration practices, and such other anti-corruption tools/standards, as may be utilized by the GOJ.
11. Keeps current with all legislations and best practices relating to anti-corruption, government contracts, licences and permits, and apply such knowledge in the execution of assigned tasks.
12. Prepares Status Reports as required.
13. Attends the monthly Department Meeting to discuss performance, ensuring there are diagnoses and prognoses for any performance variances.
14. Performs any other related duties that may be assigned from time to time by the Director or by the Executive Director.
