1. Summary of Investigation and Findings

- 1.1 This investigation by the Director of Investigation concerns the allegation that **Mr. Winston Morris**, an employee of the Transport Authority failed to file with the Integrity Commission (hereinafter the Commission), Statutory Declarations for the periods ending December 31, 2019 and December 31, 2020.
- 1.2 It was found that Mr. Winston Morris was required to file the Statutory Declarations with the Commission at the material time and having failed to do so committed an offence under Section 39 of the Integrity Commission Act (hereinafter ICA).

2. Chapter 1 – Background

2.1 Why was this investigation initiated?

2.1.1 This investigation was initiated based on a referral by the Director of Information and Complaints. The complaint alleged that Mr. Morris is in breach of the **ICA** by virtue of his failure to file his Statutory Declarations with the Commission for the periods ending December 31, 2019 and December 31, 2020.

2.2 Jurisdiction and decision to investigate

2.2.1 Section 33 of the ICA gives the Director of Investigation the authority to investigate non-compliance with the Act by public officials.

2.3 The Investigation

2.3.1 During the investigation, Officers of the Investigation Division under the authority of the Director of Investigation pursued the following lines of enquiry/actions:

- a) obtained information and witness statements from the responsible officers at:
 - (i) Transport Authority; and
 - (i) Information and Complaints Division of the Integrity Commission.

b) reviewed the information and statements collected and prepared the case file and report.

2.4 Who is the concerned public official pertinent to this Investigation?

2.4.1 Mr. Winston Morris is the concerned public official, employed to the Transport Authority.

3. Chapter 2 – Terms of Reference

3.1 The Director of Investigation sought to establish the following in respect of the declarant, Mr. Morris, whether:

- a) Mr. Morris is a public official as set out under **Section 2 of the ICA**;
- b) Mr. Morris is employed to a public body as set out under **Section 2 of the ICA**;
- c) He was in receipt of the qualifying emoluments as prescribed under **Section 39(2) of the ICA**, occupies a post that was published in a Gazette by the Commission or was requested to file the referenced Statutory Declarations under **Section 41(2)(a) of the ICA**;
- d) He failed to file his required Statutory Declarations as prescribed under **Section 39(1) of the ICA**;
- e) His failure to file his required Statutory Declarations constitutes an offence under the Act;
- f) Recommendations ought to be made to the Director of Corruption Prosecution; and
- g) Recommendations ought to be made in respect of any act of corruption and/or anti-corruption initiatives.

4. Chapter 3 – The Law, Evidence and Discussion of Findings

4.1 The Law

4.1.1 The overarching objective of the Commission's investigation was to determine whether there is merit in the allegation that Mr. Morris failed to file his Statutory Declarations as outlined under **Sections 2, 39, 41(2), 41(4) and 43(1) of the ICA**, which states:

4.1.2 **Section 2 of the ICA:**

Section 2 of the act defines a public official as a person who is employed to a public body and a public body is defined as "... a statutory body or authority..."

4.1.3 **Section 39 of the ICA:**

This Section requires public officials; who are in receipt of emoluments of three million five hundred thousand dollars (\$3,500,000) or more, to submit statutory declarations to the Director of Information and Complaints outlining their assets, liabilities and income.

4.1.4 **Section 41(2) of the ICA:**

Section 41(2) requires that public officials who fall within the categories published in the Gazette by the Commission to submit their statutory declarations within the period specified.

4.1.5 **Section 41(4) of the ICA:**

Under Section 41(4) declarants have three (3) months from the date of the declaration to file their declarations.

4.1.6 **Section 43(1) of the ICA:**

Under Section 43(1) of the ICA a person who is required to submit a statutory declaration and who fails to do so, without reasonable cause commits an offence.

See Sections 2, 39, 41(1), 41(4) and 43(1) of the Integrity Commission Act at appendix 1.

4.2 The Evidence

4.2.1 Is Mr. Morris a public official as defined under Section 2 of the ICA?

4.2.1.1 Mr. Morris is employed to the Transport Authority as a Senior Inspector. This was proven by the evidence provided by the Welfare & Benefits Officer at the Transport Authority. Mr. Morris therefore falls within the definition of a "public official" under **Section 2 of the ICA**.

4.2.2 Is Mr. Morris employed to a public body?

4.2.2.1 The evidence confirms that Mr. Morris was employed to the Transport Authority at the material time. The Transport Authority is a statutory body established under the Transport Act of 1987. Mr. Morris is therefore employed to a "public body" as defined under **Section 2 of the ICA**.

4.2.3 Is Mr. Morris in receipt of the qualifying emoluments as prescribed under Section 39 of the ICA, occupies a post published in the Gazette by the Commission or was written to under Section 41(2) of the ICA and requested to file the Statutory Declarations?

4.2.3.1 The evidence provided by the Transport Authority showed that Mr. Morris is a public official who occupies a position which falls within the categories published in the Gazette by the Commission (see appendix 2 & 3 respectively) as outlined:

Table 2: Post Occupied

Period	Qualifying Criteria
December 31, 2019	Senior Inspector as specified under Jamaica Gazette Vol. CXLII, dated Friday, December 6, 2019
December 31, 2020	Senior Inspector as specified under Jamaica Gazette Vol. CXLIII, dated Tuesday, December 1, 2020

Mr. Morris was therefore required to file his Statutory Declarations for the time frame specified above.

4.2.4 Did Mr. Morris fail to file his Statutory Declarations as required under Section 39 of the ICA?

4.2.4.1 The procedure for identifying a declarant who has not filed a statutory declaration begins with the Director of Information and Complaints writing the Heads of all Ministries, Departments and Agencies and requesting a list of public officials who are qualified to file Statutory Declarations. When the referenced lists are received, the information is

entered into a database, which provides the list of prospective declarants. Mr. Morris's name appeared on the aforementioned list of persons who were required to file Statutory Declarations with the Commission for the periods ending December 31, 2019 and December 31, 2020.

4.2.4.2 When Statutory Declarations are filed, they are entered into another database. This enables the Commission to generate a list of those declarants who have not complied with their statutory obligations under **Section 39 of the ICA**.

4.2.4.3 The evidence provided by the Declarations Verification Officer at the Integrity Commission showed that Mr. Morris did not file his required Statutory Declarations for the periods ending December 31, 2019 and December 31, 2020.

4.2.5 Does Mr. Morris's failure to file the required Statutory Declarations constitute an offence under the Act?

4.2.5.1 The failure to file a statutory declaration is an offence under **Section 43(1)(a) of the ICA**, which states:

"A person who –

(a) *Fails, without reasonable cause, to submit a statutory declaration which he is required to submit in accordance with the provisions of this Part;*

commits an offence, ..." (See full Section at appendix 1)

4.3 Discussion of Findings

4.3.1 During the investigation into the allegations against Mr. Morris, the Director of Investigation followed all reasonable lines of enquiry, gathered evidential material and collected/recorded the statements of witnesses deemed necessary. Upon analyzing the evidential materials collected, the Director of Investigation is satisfied that there is evidence to support the allegation that Mr. Morris failed to file his required Statutory Declarations with the Commission for the periods ending December 31, 2019 and December 31, 2020.

4.4 Conclusion

4.4.1 Based on the foregoing, the Director of Investigation finds reasonable grounds to conclude that the following have been established in respect of Mr. Morris:

- a) Mr. Morris is a public official as per Section 2 of the **ICA**;
 - b) He is employed to a public body as per Section 2 of the **ICA**;
 - c) He occupies a post which was published in a Gazette published by the Commission requiring him to file the Statutory Declarations;
 - d) He failed to file the Statutory Declarations for the periods ending December 31, 2019 and December 31, 2020;
 - e) His failure to file constitutes an offence under **Section 43(1)(a) of the ICA**;
- and

f) He has provided no lawful explanation for his failure to file the referenced Statutory Declarations.

4.5 Recommendations

4.5.1 The Director of Investigation recommends that this report be referred to the Director of Corruption Prosecution for consideration.

4.5.2 The Director of Investigation further recommends that Public entities should ensure that public officials provide, annually, proof that they are compliant with the law in respect of filing their Statutory Declarations. Public Bodies and the Office of the Services Commission should be engaged to ensure that compliance with **the Integrity Commission Act** becomes a requirement for employment and continued employment in the public service.
